### **Mission Statement:**

My mission is to provide the best opportunity for student learning and growth in the field of the English language. Students who read and write at a high level have greater success when their educational career ends. In order for this goal to be accomplished the classroom environment must one that does not interfere with any students learning, safety or general well-being.

1. Everyone must treat themselves and all others with respect and courtesy.
2. Class will start on time and students are expected to be in their seats when the bell rings.
3. Students are expected to cooperate fully with the teacher and other students.

All make your day consequences are in effect if a student is not making good choices.

### **Class Expectations: In order to earn your points you must do the following everyday + the expectations for the day's lesson.**

1. Come to class ready to learn and prepared to learn. **(It is not my job or other students job to loan you paper and pencil.)** Always bring your notebook to class.
2. It is my job to help you succeed in this class and I will do everything I can to help any student who wishes to help themselves.
3. You will be responsible for keeping and bringing a notebook (3 ring binder + Loose Paper + Folder for storing assignments) and your DHMS planner to class every day.
4. Students will be expected to participate and engage in all class discussions. Positive attitude and effort will help your grade.
5. Deadlines will be set to ensure you are given time to complete all assignments. I will give you time in class to complete your assignments. If you are using your

time well and cannot complete the assignment on time then more time will be given to you. All work is expected to be completed by the deadline. Late work will be given half credit.

6. Work can be made up if an absence is excused. If you know you are going to be absent ahead of time check with and get the assignment before you leave. This will give you more time to complete the assignment. Any assignment given on a day you are absent can be made up within one day of absence. Two days absences give you two days to make up. **It is your responsibility to get the make up work.** Always communicate with me when you are absent so you know what you missed.
7. This will be run concurrent to 5 other reading classes 2<sup>nd</sup> hour. During 2<sup>nd</sup> hour each student will be assigned to a classroom where skills are being taught that fit each student's needs. This means that, while I will be your official teacher and you on my class roster, I may not be your classroom teacher day to day. While working with other teachers in other classrooms my expectation is that you will be following their expectations.
8. All other rules and guidelines are covered by the student handbook or Make Your Day.
