Mission Statement:

My mission is to provide the best opportunity for student learning and growth in all of their general education classes. In support students will need to be busy working on subjects related to their general education instruction. Students can study for/take tests/quizzes, finish homework, correct homework, re-read materials, be re-taught materials, **or if all else fails** be silent reading. In order for this valuable time to be used properly, it is very important that our school rule is followed at all times: No one has the right to interfere with learning, safety, or well being of others.

All make your day consequences are in effect if a student is not making good choices.

Class Expectations: In order to earn your points you must do the following everyday + the expectations for the day's lesson.

1. Come to class ready to learn and prepared to learn. **(It is not my job or other students job to loan you paper and pencil.)** Always bring your notebook to class.
2. It is my job to help you succeed in this class and I will do everything I can to help any student who wishes to help themselves.
3. Students will be responsible for bringing their planner to class everyday along with any additional work from other classes that they student plans on using during support. The planner is important for communication with parents regarding student progress. The planner should go with the student to all classes, and should be taken home each night to show progress to parents.
4. There will be no sunglasses or hats worn in class. Radio/CD/iPods will not be allowed in class. Cell phones or other devices will not be allowed in class. Please keep the electronics in a safe place out of my sight. Any use of these devices in class will result in not earning points for the period.
5. If a student has no assignment, they may silent read in class. Students should check their grades before reading.
6. Grades are based on weighted scores from both study skills (on task behavior in the classroom) and organization (planner as well as coming to class prepared).

7. Students are asked to understand and respect the fact that all students have different needs and ability levels.

8. All other rules and guidelines are covered by the student handbook or Make Your Day.

Grade Scale:

A =	100% - 93%
A- =	92% - 90%
B+ =	89% - 88%
B =	87% - 83%
B- =	82% - 80%
C+ =	79% - 78%
C =	77% - 73%
C- =	72% - 70%
D+ =	69% - 68%
D =	67% - 63%
D- =	62% - 60%
F =	59% or Lower
