

# The Soundtrack of My Life

## 7<sup>th</sup> Grade Language Arts

Congratulations! A major Hollywood producer wants to make a movie of your life. Vital to the film's success will be the musical soundtrack that will accompany your story. What's it going to be? You decide.

Your CD/soundtrack cover will include:

- 10 songs from birth until now.
- Songs must be from throughout your entire life. (List the artist's name unless you make the title up to represent a certain time in your life. For example: "Grandma's Lullaby" by my grandma or "Firework" by Katy Perry)
- Cover must have a creative title (avoid Mrs. Seffens' Life or My Life)
- Color or shade well your cover with illustrations/shapes/abstract designs/etc.
- Inside you will list your 10 titles with a brief explanation of each in pen or typed. (For example: "School's Out for Summer" by Pink Floyd – reminds me of the last day of school in 6<sup>th</sup> grade. I was excited it was summer break and had fun with my friends at Spring Fling.)
- Add your name creatively on the back
- Present your CD choosing 3 song titles and their explanations

SOUNDTRACK DUE \_\_\_\_\_ AT THE BEGINNING  
OF THE PERIOD.
